Thank you for your interest in adopting an equine from the Dorset Equine Rescue, Inc. We are a 501(c)(3) non-profit organization dedicated to rescuing, rehabilitating and rehoming abused, neglected and slaughter-bound equines. We provide equine rescue regardless of age or disability. All adoption fees are put back into our rescue program in order to support the current rescue horses at our facility. Once the adoption fee has been set, we will not take less than the offered price. Please keep in mind that we typically invest far more into each horse than what we can adopt a horse for. Fees are based upon the horse's age, abilities and amount of training. The adoption fee is due and must be paid, when adopter is approved and has agreed to adopt said horse(s). We do not accept payment plans.

Please keep in mind that when you are adopting a rescue horse, you are making a commitment for the remainder of its life. Horses that are treated properly can live to be 35 years of age or older. Please be sure to read our adoption guidelines found on our website. Our goal is to find each rescued horse a compatible and loving forever home.

All adoption applications are reviewed on a first come, first served bases. We have the right to decline your application if the requirements are not met. Please fill out the attached paperwork and return it as soon as possible. Please, also contact your veterinarian and give authorization to speak with us as a reference. Once we review your application, we will contact you to inform you whether or not your application has been approved, pending the barn check. We appreciate your interest in adopting an equine from The Dorset Equine Rescue.

Thank you,

The Dorset Equine Rescue
